## OFFICE POLICY

### To My Patients

I would like to take this opportunity to thank you for your confidence in choosing me for professional services. Since our goal is to provide you with the best service possible, and in order to serve you more effectively, we ask that you **please read the policy before you sign it.**

### Office Hours

Monday, Tuesday, Wednesday and Thursday 8 am – 5 pm

Friday 8 am – 1 pm

### Appointments

Dr. Guerrero cares about your time. We schedule only one patient per appointment time and never double book. There is typically a wait list of patients that need to see the doctor. For this reason we require a 48 hour notice if you need to cancel or reschedule. This allows us to offer an open appointment to a waiting patient.

As a courtesy, our office calls each patient to remind and confirm of upcoming appointments. **If we leave a message we ask that you please be sure to call back to confirm or reschedule.** If you do not call back to confirm your new patient appointment, your appointment will be cancelled and your credit card in file will be charged for the missed appointment time. If you need to call after hours you can leave a message.

#### Please Read and Initial

If you schedule a new patient appointment and find that you are unable to come in, please call the office at least 48 business hours in advance so that Dr. Guerrero can use his time most effectively. **Otherwise, you will be charged the full amount of the missed appointment time.** As a courtesy, we will call you one or two days before your scheduled appointment to remind you of the appointment, but it is your responsibility to remember the appointment.

\_\_\_\_\_ (INITIAL)

Initial evaluation lasts **60** minutes. Follow up visits and medication management checks last **30** minutes.

Payment is expected when services are rendered. The patient is responsible for all charges resulting from professional services regardless of insurance coverage.

We accept cash, checks and credit/debit cards (Visa and MasterCard only). **The initial evaluation fee is \$375.00. Follow up visits and medication management checks are \$170.00**

**Current patients that have not had an appointment with Dr. Guerrero for 1 year or more are seen as a Returning New Patient. The Returning New Patient fee is \$375.**

### Communications

If you need to communicate with the doctor please call the office and the staff will convey your message. Messages are read and attended to by the doctor typically the same day at the end of the clinic day or the following day. If you chose to communicate via e-mail please remember that e-mail has the privacy of a post card. E-mail does not go directly from one computer to another and the message can be stored as an archive at any point during delivery. Before you send an e-mail, be cautious with your disclosing. **E-mail cannot be a means of managing a crisis, since one cannot be aware of e-mail arrival at all times.** If you do send an e-mail please call the office and make us aware of it. If you are having an emergency after hours please call us directly at 713-899-7100 (this is not a refill request line).

Our office e-mail address is [RGuerreroMD@sbcglobal.net](mailto:RGuerreroMD@sbcglobal.net)

## Additional Fees

There will be a charge of \$150 for any reports that are prepared. This fee covers the time spent gathering and reviewing of all records, reports, tests and other accumulated data, and the preparation of the report. This includes reports prepared for school districts as well as completion of guardianship paperwork.

Miscellaneous letters vary from \$25-\$150 depending on time spent and amount of information gathered.

## CANCELLATION POLICY

Dear Patient,

At our office, we believe that we can provide optimal care only if we have enough time set aside to adequately examine your needs and discuss your condition and treatment options in detail with you. We also value your time and appreciate that a long wait in a doctor's office costs you or your family valuable time. That is why it is our policy to schedule only one patient per appointment time and never double book. Your appointment time is reserved exclusively for you.

\_\_\_\_\_ (Initials) For changing or canceling **NEW PATIENT APPOINTMENTS** please call the office at least **48 BUSINESS HOURS** in advance, otherwise you will be charged the full amount of the missed appointment time.

\_\_\_\_\_ (Initials) For changing or cancelling **FOLLOW-UP APPOINTMENTS** please call the office at least **24 BUSINESS HOURS** in advance, otherwise you will be charged the full amount of the missed appointment time.

This policy ensures that Dr. Guerrero can use his time most effectively and that we might schedule another patient who is on our waiting list for an appointment.

Failure to give timely notice will result in charges for the scheduled appointment time.

I have read and understand the appointment change/cancellation office policy.

**CONTRACT FOR CONTROLLED SUBSTANCE PRESCRIPTIONS**

Controlled substance medications (i.e., benzodiazepines, Suboxone and stimulants) are very useful, but have potential for misuse; therefore, they are controlled by local, state, and federal governments. They are intended to improve function and/or ability to work, not simply to feel good. Because my provider is prescribing such medications for me to help manage my condition, I agree to the following conditions:

**1. I am responsible for my controlled substance medications.** If the prescription of medication is lost, misplaced, or stolen, or if I use it up sooner than prescribed, I understand that it will not be replaced. (PATIENT/LEGAL GUARDIAN INITIALS \_\_\_\_\_)

**2. I will not request or accept controlled substance medication from any other physician or individual while I am receiving controlled substances from Dr. Rafael Guerrero.** Besides being illegal to do so, it may endanger my health. The only exception is if it is prescribed while I am admitted to a hospital. (PATIENT/LEGAL GUARDIAN INITIALS \_\_\_\_\_)

**3. Refills of controlled substance medications:**

**a. Will not be made if I “run out early”.** I am responsible for taking the medication in the dose prescribed and for keeping track of the amount remaining.

**b. Will not be made as an “emergency,”** such as a Thursday afternoon because I suddenly realize that I will run out tomorrow and the office will be closed. I will call **at least seventy-two (72) hours** in advance if I need assistance with a controlled medication prescription.

**c. No Controlled Medications** will be ordered when the office is closed. (PATIENT/LEGAL GUARDIAN INITIALS \_\_\_\_\_)

**4. I understand the importance of following my treatment plan as directed by my physician and agree:**

**a.** To keep my appointments (including follow-ups and any referrals)

**b.** To permit urine drug screening without prior notice

(PATIENT/LEGAL GUARDIAN INITIALS \_\_\_\_\_)

**5. I understand that if I violate any of the above conditions,** my controlled substance prescription and/or treatment with Dr. Rafael Guerrero, I may be terminated immediately. If the violation involves obtaining controlled substances from another individual I may also be reported to other healthcare providers, medical facilities, pharmacies and other authorities. (PATIENT/LEGAL GUARDIAN INITIALS \_\_\_\_\_)

**6. I understand that the main treatment goal is to improve my ability to function and/or work.** In consideration of that goal and the fact that I am being given potent medication to help me reach that goal, I agree to help myself by the following better health habits: non-use of “street drugs”. I understand that using “street drugs” will impact my progress and counter act with any prescribed medications. They are not only mind altering, but also illegal. Continued use after warning can be cause for your care to be terminated immediately from Dr. Rafael Guerrero’s care and may be reported to the authorities. (PATIENT/LEGAL GUARDIAN INITIALS \_\_\_\_\_)

**I have read this contract and fully understand its content. In addition, I fully understand the consequences of violating this contract.**
